Betrayed

by Rosie Cochran

While on assignment to uncover the details of an assassination plot, Jeremi Grant sustains a gunshot wound that grazes his skull, leaving him with no memory, with no explanation for why he is at the scene of a murder. An undercover agent is

dead. His fellow agents want the man who did it. All evidence points to Jeremi. Under arrest for murder, Jeremi has no explanation for the FBI. Worse yet, he has no explanation for himself. Meanwhile, an assassination is going to take place and the details needed to prevent it are locked in Jeremi's mind. Escaping from the FBI, Jeremi is determined to find out who he really is. The pieces slowly begin to fall into place, but will Jeremi remember enough, soon enough, in order to prevent the assassination?
